To whom it may concern,

Biostat, Inc. invites Dr. Marinel-Adi Mustata to attend the 3 day Meta-Analysis Workshop in medical research practices taking place in Sydney, Australia, scheduled to be held from March 26-28, 2018 at the Hilton Sydney, 488 George Street, Sydney, New South Wales 2000, Australia. The workshop is going to be presented by Biostat. Registration will be finalized after confirmation of payment of fees and of travel arrangements.

This is a course that Biostat has given at such agencies as the CDC and the FDA, which are responsible for drug safety in the USA. This course is also useful for academicians/researchers from other disciplines applying this research technique. The course is detailed on the following web site: <http://www.meta-analysis-workshops.com/>

Attendees are required to make all necessary travel arrangements to attend the 3- day workshop. Attendees are expected to pay the necessary fees for the workshop and submit any related documents to Biostat, Inc. *Arrangements for travel and lodging, as well as expenses incurred, are solely at attendees' responsibility. Biostat, Inc. is only organizing the workshop.*

We would appreciate it, if you could please expedite the attendance for the above participant. Please do not hesitate to contact us for additional information.

Sincerely,

Michael Borenstein Ph.D.
